

Product Data Sheet

Protect Your Home Through Your Mobile with...

SMS / MMS images are sent directly to your mobile phone when a sensor is triggered so you can take action by calling the police or family or neighbours.

- *Simple to set up, just a few simple SMS commands
- *Works with any mobile phone, old or new
- *Totally portable and no installation required (plug and play)
- *No broadband or WiFi required, just a SIM card
- *One master user and up to 10 additional users
- *Use anywhere in Europe
- *Sends you an SMS / MMS when a sensor is triggered
- *Call the camera to hear live audio

Your Alert Pal come complete in a box with...

- *2 Free door sensors
- *1 Free smoke sensor
- *2 Remote controls to arm / disarm the camera (clips neatly on to your keys)
- *2 Panic buttons – when pressed the camera calls the master number and sends an SMS to every pre-programmed number
